

Erratum

The paper "Expanded personal computing power and capability," by P. A. Korn, J. P. McAdaragh, and C. L. Tondo that appeared in the *IBM Systems Journal*, Vol. 24, No. 1, pages 26 through 36, incorrectly attributed the program *styles*, of which *parts* is the essential ingredient, and *diction* to the University of California at Berkeley. Since publication, we have been made aware of the fact that these programs are the work of Lorinda Cherry of the AT&T Bell Laboratories.
